Mission Statement

The Massachusetts Elementary School Principals' Association (MESPA) is committed to serving the needs of the elementary and middle level principalship in the Commonwealth of Massachusetts by:

- ▶ Promoting elementary and middle level schools as learning communities that provide excellent learning opportunities for all children;
- ▶ Advancing superior professional standards of practice for elementary and middle level principals;
- ▶ Providing high quality professional development experiences for urban, suburban, and rural principals and other educators, statewide, based on their common and unique professional development needs;
- ▶ Advocating on behalf of elementary and middle level principals and their efforts to provide a high quality education for all children within the framework of our democratic principles;
- ▶ Providing ample opportunities for networking, collegiality, and community.

Vision Statement

MESPA is a flexible, results-oriented leadership association dedicated to bringing leadership and instructional practices to a superior level.

MESPA will be known for its exemplary ability to develop, nurture, and support current and future educational leaders by using technology and other delivery systems and linking the core curriculum to accountability and performance measures expected in schools.
