ASSISTANT SUPERINTENDENT OF ACCOUNTABILITY AND ASSESSMENT

The **NASHUA SCHOOL DISTRICT** is seeking an **ASSISTANT SUPERINTENDENT OF ACCOUNTABILITY AND ASSESSMENT** to provide district level leadership to schools to enhance student learning, improve student assessment, and facilitate an alignment among standards, assessments, accountability systems and school improvement initiatives. Coordinates state and local assessment programs for students, complying with the NH Department of Education requirements for school accountability and adequate yearly progress. Conduct data analysis, interpret results of student assessment, and establish professional development programs to assist teachers in making use of data for the improvement of instruction. Provide ongoing support and supervision to secondary school principals and programs and to the Superintendent in formulating and implementing district goals, policies, budgets and plans. Collaborate with Principals, Directors and the Assistant Superintendent for Curriculum and Instruction in carrying out these responsibilities.

We offer competitive salary and benefits. NH certification as Superintendent or eligibility is required with eight years of experience of educational experience with significant experience in educational administration, supervision, assessment, curriculum planning and teaching, demonstrating capabilities in data analysis and program evaluation, including three years of significant educational administration experience. The successful candidate will have a collaborative management style, excellent communication skills, high energy leadership and a desire to work in a school system with a diverse population.

Applicants should apply online by May 4, 2017 at www.nashua.edu . Posting # 2587
